SUBJECT: ACR 101 (BROUGH): COASTAL CLEANUP DAY SUPPORT

Dear Assemblyman Brough,

The *(Your Association/City/Organization)* **SUPPORTS** ACR 101, which recognizes “Coastal Cleanup Day” on September 19th.

Coastal Cleanup Day is the State’s largest volunteer event. Since 1985, a total of 1.3 million volunteers across the state have worked tirelessly to remove over 21 million pounds of waste from our coastline on these annual cleanup days.

ACR 101 acknowledges the success of Coastal Cleanup Day and encourages a commitment to the future of our incredible coastline.

Sincerely,
